## ABOUT ME

I'm an aspiring graphic designer passionate about creating illustrations, graphic art, and logos that tell a story. Currently pursuing a major in web development at Araullo University, I love blending creativity with technology to bring ideas to life.

## EDUCATION

**Kasiglahan Village | 2016-2019**  
Graduated junior high school

**Asian Institute of Computer Studies | 2019-2021**  
Information and Communication Technology

**Phinma Araullo University | 2021-2025**  
Bachelor of Science in Information Technology

## WORK EXPERIENCE

**Freelance | 2024**  
I freelance as a graphic designer, specializing in creating illustrations, logos, and graphic art. I work with startups and businesses to develop visual identities that effectively communicate their brand message.

## CAPSTONE PROJECT

**PEMS | Full-stack**  
Our capstone is project expenses management system where all the expenses of the company is being stored digitally. My role there is the developer of the team where I created the UI/UX, front-end and back-end of the system.
